

WEDNESDAY, MAY 2nd, 2018
RELAIS 59 GENERAL ASSEMBLY
6:30 p.m.

To take part in the general assembly, you must be a **member** of the association Relais 59. You can become a member by paying a yearly membership fee.

As a member you will give your opinion and vote on the administrative and financial documents, the president's report, the financial report of the treasurer and the election of administrators.

After a year of being a member of Relais 59, you can submit your candidature to become an administrator during the general assembly.

An administrator is part of the day-to-day management of the association with others, and personally involves their responsibility in the association's project.

OUR VALUES

Solidarity - Respect of Human Dignity - Local Democracy

OUR PROJECT

At the end of 2017, we submitted to the CAF de Paris (umbrella organization) the social project we elaborated from your observations, ideas and wishes :

- encouraging social diversity and learning how to better live together, welcoming new arrivals to the neighborhood.
- developing new kinds of solidarities
- promoting employment for our young and less young public, or lower qualification requirements for the increasing job offers to come through economic development, notably the coming boom in the hotel industry
- supporting and participating in associations and residents collectives, including "young" residents collectives
- working at a more earth-friendly lifestyle through sustainable development, better hygiene and salubrity of our neighborhood.

BUT ALSO...

- fighting against precariousness targeting families, developing solidarities
- easier access to rights, legal information and culture
- supporting parents in their daily functions
- helping bridge the gap between generations through dialogue and exchange

SPECIFIC CHALLENGES FOR YOUNG PEOPLE

There are many challenges facing the youth of today: a need for greater academic support at school, for a better understanding of administrative structures (first job, health access), the use and occupation of public spaces... Actions in favor of young people are a priority at Relais 59.

FOR THIS, WE NEED

- to broaden the scope of civic action available to young and senior citizens alike.
- to emphasize the need for personal engagement, campaigning for the project among potential members and consult with local residents of all ages.

BUT ALSO...

To help the Relais 59 survive in all its dimensions, by:

- increasing our members representing all aspects of our public; enabling a turnover and tutoring of new administrators
- finding financial and human means to support this social project (access to proper training for volunteers and employees)
- providing the right kind of communication.

This project is **your** project. When you become a member and take part in the general assembly, you show your involvement and support for Relais 59, and encourage us in our daily work.

Yearly membership fee: 30 euros (but we accept more if you wish!)
If you are already a member through one or more activities provided by Relais 59, the yearly fee is only 5 euros.

To submit your candidature as administrator:
